Lions Carnival Starts This Evening, Ends Sunday with GI Homecoming; Rescue Squad, Chain O' Lakes Benefit

Rides, Booths, Festivities to
Attract Crowds Daily
to Antioch

The Lions club carnival will open full blast this evening at the Ackerman grounds adjacent to the water tower.

Operating until Sunday night the annual funfest is expected to draw large crowds.

Only bad weather can put any damper on the carnival this year and the committee in charge is preparing for that through rain insurance obtained through Lloyd's of London.

The weather man forecast "cloudy and cool" for the first night so it will be a case of wearing more wraps.

Skinner Bros., have set up four rides and a fifth may be added. The Rescue squad and Legion Women's auxiliary will have booths in addition to those operated by the Lions club.

A large part of the proceeds will be given over to the Antioch Rescue Squad fund. The money will be added to the fund that is now being raised to permit the squad to operate efficiently. Members of the committee raising the fund say that the response to the appeal for gifts has been generally good and they are well satisfied. Many subdivisions are planning to give or increase their previous gifts to the fund while individual contributions are coming in in substantial amounts.

Roman Vos and William Brook canvassed the merchants on the west side of Main st., this week and Ed. Jacobs and George Wagner are canvassing the east side of the street.

Another object of the profits of the carnival is the Chain O' Lakes project, which is promoting the new bridge at Grass Lake road. With time running out on the present appropriation the Lions committee is anxious to push the improvement project as rapidly as it can.

In charge of the carnival are Roman B. Vos, chairman; Harry J. Krueger, co-chairman; F. J. Bud Arnold, secretary-treasurer.

Henry Pape, Earl Pape, Frank Spangard and James Webb are in charge of police and parking and Irving W. Carey is in charge of lighting.

Bass Catch Reported Good on Bluff Lake

That the bass in the local lakes are coming back to life after having partly dormant during the hot summer months is attested to by the fact that three bass of large size were taken from Bluff Lake during the week. Usually the first frost of the fall brings the big ones up ready to do battle, according to local nimrods, but evidently the weather has been right the past week to start their activity earlier.

The largest of the fish was caught by William Dorman, of Bluff Lake, and the bass measured 22 inches in length and tipped the scales at 6 pounds. Mr. Dorman, who was in the News office Wednesday did not tell just what lure was used in taking the fish, but did leave the impression that a "black plunker" was a very fine bait for bass. The second of the fish was caught by A. L. Schenk, and measures 20 inches in length with a weight of 5 1/4 pounds. A five pounder was brought in by Henry J. Miller, of Fred Loof Camp during the week.

Chicagoan Catches Fly Rod
Also among the week's catch in the lake was an unusual one when Alex Mallo, 2306 W. Cullerton, pulled in a flyrod near the Channel Lake boat house. Mallo also landed two large catfish the same day, one weighing 10 1/2 pounds and the other 8 1/2 pounds.

With the coming of cooler weather sportmen of the region will be out in full force to take advantage of the fishing in the Chain O' Lakes.

Edna Drom Honored At Birthday Party Wednesday Evening

The Roundup, one mile south of Antioch, was the scene of a birthday anniversary party held in honor of Miss Edna Drom last Wednesday evening. Edna has been employed at Reeves Drug Store for many years and the party was given by George and Helen Borovicka, owners of the store.

Guests at the affair included Mr. and Mrs. Livingstone Osborne, director of the State of Illinois conservation department; Mrs. R. Elliott and Miss Gertrude Hawkins.

**Douglas Getchell, State
Senior Vice-Commander
To be Speaker**

A large crowd is expected at the G. I. Homecoming celebration Sunday afternoon when Douglas D. Getchell, newly elected State senior vice-commander will be the main speaker.

All veterans are asked to wear their uniforms and participate in the parade. The parade will include both local and out-of-town bugle and drum corps, one of them being the North Chicago corps that made an excellent showing at the national convention in Chicago.

The schedule for the day follows:

12:30 p. m.—Registration starts.

2:00 p. m.—Formation of parade at the Antioch High school grounds.

2:30 p. m.—Parade starts, moving north on Main St. to the village park.

3:30 p. m.—Program opens with F. A. Swenson, commander of Antioch American Legion Post 748 introducing Joseph J. Nemanich, past commander of the Tenth district, American Legion, who will serve as master of ceremonies.

Pledge of Allegiance to the Flag. Singing of "American" led by Charles J. Cermak, Jr.

Invocation by Henry A. Hanson, Tenth district chaplain, American Legion.

Introduction of Harry J. Krueger, president of the Antioch Lions club, who will in turn introduce William A. Rosing, town supervisor, George B. Bartlett, village president, and others.

Introduction of Willard Schneider, commander of Antioch Veterans of Foreign Wars, Everett Hatfield, commander-elect of Antioch Legion post and others.

Introduction of speaker Douglas D. Getchell.

Singing of "Star Spangled Banner," led by Cermak.

Benediction by Chaplain Hanson.

Polio Reaches New High In Illinois

Infantile paralysis in Illinois rose to a new high for the year last week, when 204 new cases were reported, bringing the state total of 657, it was reported yesterday by Dr. Roland M. Cross, director of the Illinois Department of Public Health. In Cook County there were 261 cases.

The number of cases reported during the week marked the second highest in the history of the state, topped only by the 206 cases reported during the 36th week of the 1943 Chicago area epidemic, the report stated.

Although case reports are tapering off in some sections, it does not mean a peak has been reached, the report added. Usually, the high point of the disease occurs the first or second week in September.

The report adds epidemic proportions have not been reached in any section of the state and that the disease now is comparatively mild, with a low fatality rate.

Although no new cases have been reported in the community during the past few weeks, a total of seventy-four cases are recorded in Kenosha county, where epidemic conditions have health authorities worried.

Squirrel Season To Open For Ten Weeks Beginning Sunday

Livingston E. Osborne, state director of conservation, today reminded hunters that the squirrel season opens in the northern zone of Illinois September 1 and extends through November 15. The squirrel season opened in the southern zone July 15 and extends through October 15 and in the central zone August 15 and extends through October 30.

"The sportsmen of Illinois have enjoyed a fine squirrel shooting season in the southern and central zones," Osborne said, "and from surveys made by our conservation officers the northern zone will enjoy the same kind of season."

The northern zone includes the following counties: Boone, Bureau, Carroll, Cook, DeKalb, DuPage, Grundy, Henderson, Henry, Iroquois, JoDawless, Kane, Kankakee, Kendall, Knox, Lake, LaSalle, Lee, Livingston, Marshall, McHenry, Mercer, Ogle, Peoria, Putnam, Rock Island, Stark, Stephenson, Warren, Whiteside, Will, Winnebago, and Woodford.

Sept. 5 Is Deadline for Registration to Vote at Nov. 5 General Election

Lake county voters will have until 9 p. m. Sept. 5 to register in order to vote at the general election Nov. 5.

Suspension-of-registration notices were sent to delinquent registrants this week and if the voters do not respond by deadline time, their registration will be cancelled.

Supervisor William A. Rosing, with office at the Antioch garage, and Arthur E. Bennett, with office at Cedar Lake, Lake Villa, are registering voters as branches to the county Clerk's office.

The law provides that any man or woman not yet 21 years old, but who will reach that age on or before Nov. 5 may register now.

There is one exception to the deadline rule. In the case of ex-service men or women discharged less than 60 days before election they may vote at the general election by affidavit.

State Lumber Dealers Meet in Semi-Annual Golf Tournament Here

Fun Marred by Threat of
Government Freeze
On Lumber

Ninety members of the Illinois Lumber and Fuel Dealers association met at the Chain O' Lakes Country club for golf a banquet and a general good time yesterday afternoon and evening.

In the background of their festivities was worry over the threatened action of the Civilian Production board at Washington D. C. freezing 75 per cent of all construction items of lumber in retail yards obtained on percentage certification.

Edmund Vos of the Antioch Lumber and Coal Co., said that the secretary of the association was not present and it was his belief that his activity in trying to prevent the order kept him from the outing.

The lumber dealers bombarded Wilson Wyatt, housing expediter, John R. Steelman, reversion director, and congressmen from Illinois with protests over the proposed ruling. They listed three objections as follows:

1. The plan will not work because the extremely large volume of construction lumber is by-passing retail yards and such action would not serve the purpose.

2. Retail yards serving industrial, farmers and other essential users would be completely frozen for servicing them, and

3. Such freezing tactics would cause lumber backup at mill levels and would likely cause even further diversion of lumber to black markets and general non-compliance with all government regulations.

At present lumber yards hold lumber during the month in which it is received and then are free to sell.

Local Entry Rates High in Illinois Division of Poultry Meat Contest

In the Illinois Division of "The Chicken of Tomorrow" contest, C. L. Kutil, of Antioch placed, in 6th position with his entry of 15 dressed Buff Orpington cockerels at the recent Illinois State fair.

Forty-four entries from all parts of Illinois were in competition.

Out Weigh All Others
Kutil's entry outweighed all others, averaging an even 4 lbs. per bird at 12 weeks of age, but lost out from receiving a higher rating on account of skin and shank color and breast and keel measurements. These defects, Kutil hopes to correct by breeding and crossing in the second year's phase of the 3 year contest.

Burning Hay Threatens Barn on Sedar Farm

The fire department was called at 3:25 p. m. Tuesday to the Paul Sedar farm in Newport township where burning baled hay threatened a barn. The loss was confined to the hay and a small portion of a fence. How the fire started is not known.

This was the only department call during the week ending yesterday.

Frank Petty, son of Mr. and Mrs. W. C. Petty is spending his vacation in California.

Venetian Village Carnival to Open Saturday, Aug. 31

The annual Venetian Village carnival, which is chiefly responsible for providing funds with which to maintain subdivision property, as well as parks and roads, will open this coming Saturday evening for a two-day run.

L. C. Ross, president, and other officers of the Village, extend a cordial welcome to all residents of the region to come and join in the fun, at Venetian Village. Games, entertainment and other amusements will be features of the celebration and refreshments of all kinds will be available.

Holbeks Surprised by Charivari Monday Eve.

Mr. and Mrs. Herman Holbek, married Tuesday, August 20, by the Rev. Fisher, of Waukegan, were surprised by a party of friends who arranged an old fashioned charivari on Monday evening.

The Holbeks were aroused at their home above the Antioch five and ten cent store by the noise of the merry-makers raising Herman's car up on cement blocks, where it was parked on Main street. When the group began discarding what Herman thought were parts of the car which had been broken off, he weakened and invited them in. The parts turned out to be old parts which had been picked up in the junk heaps around local garages.

The party began as soon as the men had been admitted to the house and continued until the Holbek supply of liquid refreshment was exhausted at about 4 a. m. Special entertainment during the evening was provided by Einar Peterson and other members of the group.

No real damage was done to the car, but a wrecker was required to hoist the car from the blocks upon which it had been placed.

Herman and his bride, the former Doris Dodge, of Loretta, Wisconsin, plan to make their home in Antioch.

Livestock Outlook Meeting Scheduled for Sept. 10

The regular Lake County fall outlook meeting for livestock producers and feeders will be held on Tuesday, September 10, 1946, according to Otto Metzler, chairman of the Lake County Livestock Marketing Committee and Farm Adviser, Ray T. Nicholas. The meeting will take place at Grayslake, in the Farm Bureau Hall, beginning at 8:00 p. m.

Representatives from the cooperative livestock marketing agencies, the Livestock Marketing Department of the Illinois Agriculture will be present to give their views on the outlook.

In making the announcement, Mr. Metzler and Mr. Nicholas stated that the purpose of the meeting would be to give farmers information which would be helpful to them in planning their livestock feeds in sight. Farmers are showing a growing interest in livestock production and feeding programs for this winter and consequently are vitally concerned about the price outlook for the coming year.

All farmers are invited to attend this meeting.

OPA Planning Tight Curb On Black Market

Price Chief Paul A. Porter revealed today that the OPA is whipping up its "toughest program yet" to squelch would-be black marketeers when new meat ceilings go into effect September 9.

Porter issued a stern warning to black marketeers to "beware" as OPA ended a 30-day price-raising spree in which it ordered boosts expected to cost the public more than \$1,000,000,000 in the next year.

Noting that when meat price ceilings are restored September 9 they will be somewhat higher than June 30 ceilings, Porter said the one big problem remaining in meat control is the danger of renewed black markets.

New Program

Porter said the OPA is working out a new enforcement program with the department of agriculture which should permit announcement within a few days of "the toughest program yet."

Porter warned that meat supplies will be somewhat scarcer next month but said it would be due to "natural reasons." He begged the public not to "trot out OPA again as the scapegoat and the whipping boy."

He said September has always been a low point in the hog supply. This combined with the fact that corn is plentiful and many farmers will hold onto their hogs longer to fatten them up, will make September a "rather bare spot" as far as pork is concerned, he said.

Feed Lots Bare

As for cattle, Porter pointed out that they have been coming to market so heavily in recent weeks that some of the feed lots are stripped on animals that can be marketed now.

"And I suppose we may have to reckon with some producers who will want to hold back meat animals in hope of forcing higher livestock ceilings," he declared, adding, however,

"I hope not because the ceilings, once established, are going to stay 'firm except as the law requires us to modify them. We don't intend to give in to any purely pressure drives."

Otto A. Gabriel, 23, Dies at Salem Twp. Home After Accident

Otto A. Gabriel, Jr., 23, died at his summer home in Salem township, on Friday, August 23, as a result of injuries received in an automobile accident near Silver Lake last week. Gabriel had made his summer home at Salem for the past seven years, where he lived with his parents, Mr. and Mrs. Otto A. Gabriel, Chicago, Illinois.

He was born March 22, 1923, at Royalton, Ill.

His discharge from the United States Air Corps was received on July 15, 1946 at Camp McCoy, Wis. He was a First Lieutenant.

Surviving are his parents, two brothers, Kenneth and Dennis, his grandparents, Anna and Gus Gabriel and a grandmother, Mrs. Christiana Otzwirk, of Salem.

Funeral services were held at the Strang Funeral home, Antioch, and were in the charge of Rev. Dale Jennings, of Salem.

Frank L. King 75, Passed Away Aug. 23 At Lake Co. Hospital

Frank L. King, 75, died Friday, August 23 at 7:45 p. m. at the Lake County General hospital, Waukegan, following a lingering illness.

Funeral services were held Monday at 3 p. m. from the Strang Funeral home. The Rev. L. H. Messersmith officiated. Burial was in Mount Rest Cemetery.

He was born July 15, 1871, and lived all of his life in Newport Township. His life's work was farming.

He had made his home for the past several years with a cousin, Emmet King, of Newport township.

Surviving are one sister, Mrs. Joseph H. Merville, of Zion, and several cousins.

Glad To Be Back

An ex-G.I. observed the way "the other half" lives in his travels around the world. Ex-Sergeant Wm. T. Garvey saw what any G. I. could have seen who passed through the cities of the Orient en route to "the bush"—India's beggars; cows ambling nonchalantly along sidewalks; Mohammedans turning to Mecca; the painted marks of religion and caste; the roadside vendors of insect-ridden cheese and fruit, shoe laces and worthless trinkets; the haggling over prices of wares; the smells; scarcity of food of any sort; the ragged thousands sleeping the clock around on the floor in any public building or railway station; clothing beaten to shreds on flat rocks in lieu of washing; thousands of staggering skeletons waiting for something to eat.

It is no mystery to him why living standards are so low in these countries. Methods employed in gaining a livelihood in such countries are still so primitive that men can barely produce enough to keep alive, whereas in America, capital has built up great industries which make the United States a land of luxuries. Few, indeed, are the locations outside America where people take for granted automobiles, radios, refrigerators, bathtubs, washing machines, vacuum cleaners, sewing machines, telephones, electricity, gas, fresh running water and modern sewage disposal.

India can't duplicate what we have in America overnight, "because capitalism requires saving. To enjoy greater comforts at a later date," the soldier explains, "we must forego some of the satisfactions of the present. By pooling our savings with others we can purchase production equipment beyond our means as individuals, and produce consumer goods cheaply and in quantity. In India capitalism is just in the beginning."

"I like our American system. I like my radio and electric refrigerator, and extra suit of clothes, and meat on the table. I was never impressed by the street-

corner propagandist who was always trying to prove that the 'capitalists' were oppressors grinding a heel on the neck of downtrodden common people. There was a time when I used to think they didn't know what they were talking about. Now I know! Of course there are abuses of the capitalistic system, but I've seen how 'the other half' lives. I'm back home and glad of it. I like it here."

Safety in the Coal Mines

In a long article in the Saturday Evening Post, Elsie McCormick discusses the problem of safety in the nation's coal mines. It is a story of great achievement—by operators, unions and the United States Bureau of Mines—and it points as well to additional safety work that remains to be done.

The mining of coal is basically one of the more dangerous occupations. The hazards of explosions, fires and cave-ins are always present. The problem is to cut the risk to the absolute minimum. The uninformed belief that the operators are indifferent to this is thoroughly disproved by Miss McCormick's survey. She writes: "More than 100 different safety devices and methods have been introduced into American coal mines during the past two decades, at a cost to the operators of more than \$100,000,000."

Workers themselves, strange as it may seem, have often blocked essential safety regulations. For instance, operators establish no-smoking rules in gassy mines—but some miners, apparently feeling their personal rights are being infringed, smoke anyway. The result is unnecessary accidents, and more names on the roster of miners who died violently. In one case, miners refused to wear hard safety hats furnished by the management, on the grounds they might damage their hair—and this was in an industry where rock falls are a major cause of death and injury.

The accident rate runs high in very small coal mines of the "marginal" type. By far the greatest progress has been made by the larger operators.

All in all, the record is an encouraging one. New devices and techniques are constantly being tried, and, once they prove their worth, become standard practice. No industry has a tougher safety problem—and none is working harder to solve it.

Foreman (to new employee): "I'm putting this rivet in the correct position. When I nod my head, hit it hard with your hammer." He woke up in the hospital.

Good Reasons for insisting on ADEQUATE WIRING

You'll probably want every one of these appliances in the new home you are building...but, unless you plan now for adequate wiring, you won't be able to enjoy them!

The best time to get adequate wiring is during the period of construction. That's why it is important to check with your contractor to be sure the wiring plans for your new home are adequate before you start to build. When you get adequate wiring you avoid unsightly extension cords, dimming lights, and "loafing" appliances. With adequate wiring you'll have circuits enough to supply abundant electric-

ity for all your present appliances as well as for those soon coming your way. And, you'll have plenty of convenience outlets where you can "plug them in."

Be sure to plan now to have adequate wiring in your new home. Our Home Building representative will be glad to help you plan so you will have adequate wiring in your home, or you can consult your electric contractor.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

LAKE VILLA

The Woman's Society of Christian Service will meet on Wednesday afternoon, Sept. 4 with Mrs. Emily Balfanz at Petite Lake Highlands for dessert luncheon at 1:30, followed by a business meeting at 2 o'clock and social hour later. Visitors are welcome.

A special election will be held at the Lake Villa schoolhouse on Saturday, Sept. 14, for the purpose of electing a seven man schoolboard for the new consolidated district No. 41, which also includes the Monaville district. The new board will consist of a president and 6 board members.

A short funeral service was held at Fox Lake cemetery at Monaville last Friday for Charles Glosser, who passed away quite suddenly last week at his home in Maywood. The family lived in this vicinity many years ago and has a number of friends who have kept in touch with them and attended the services.

Lt. Arthur Nauta of Army Air Force stationed at Denver, Colo. and his wife and children, who have been living in California, now in Waukegan, were guests of Lt. Nauta's sister, Mrs. Lester Hamlin, and family last Saturday afternoon.

Mr. and Mrs. M. V. Reynolds, Vallee and Maurice, Jr., returned last week from a two week's stay at Ocean Springs, Miss.

Mr. and Mrs. Dan Boyer enjoyed a three-day stay last week with friends at Grand Beach, Mich.

Mr. and Mrs. Delbert Sherwood drove to Michigan last week to see the great Michigan fruit orchards.

Mr. Whittemore drove up from New Orleans and came Saturday for a short visit, and when he returns home at the end of the week, his wife and daughter, who have spent several weeks with her mother, Mrs. Bray, will return with him.

Mr. and Mrs. Cramer drove from Pittsburgh Pa., last week to visit their daughter, Mrs. Ray Pierson and husband at the parsonage and Mrs. Pierson accompanied them when they returned to Pittsburgh at the end of the week.

Mrs. Charles Hamlin was hostess for the Sewing Club at a luncheon at her home on Thursday afternoon last week.

Miss Anne Petree, of Chicago, spent several days last week with her cousin, Mrs. Marie Hamlin.

Mr. and Mrs. W. B. Kennedy, Mr. and Mrs. Jas. Scanlon and daughters, of Chicago, were guests of Mrs. Kennedy's sister, Mrs. Stella Pedersen, on Sunday and Mrs. Pedersen returned to Chicago with them to visit for a week.

Mr. and Mrs. Don Summers are entertaining Mrs. Summers' parents from Tennessee.

Mrs. Ring is a surgical patient at Condell hospital at Libertyville, following a major operation last week and is recovering.

Capt. William Walker and his bride visited his parents, Mr. and Mrs. William Walker, east of town, from Wednesday until Saturday last week. They had been on a wedding trip which included Minneapolis, Eagle River, The Dells and the home town, and left Saturday for their home in Enid, Okla., where he is test pilot and instructor at the airport.

Miss Joanne Barcroft, of Glendale, Calif., was guest of her grandmother, Mrs. Mabel Holst, and her great-grandmother, Mrs. Elizabeth Griffith, at their home in Buena Park a few days last week.

The gravel roads from Maier's garage to Rt. 59 and the Monaville road have been recently black topped, which is quite an improvement.

Cedar Avenue has been quite neglected this summer, which does not give our summer visitors as good an impression as it should.

Capt. Joseph O. Hucker, who has been in the armed forces for some time, received his honorable discharge from Ft. Sheridan on Aug. 14 and is at home here with his wife, they are occupying the upper flat of the Earl Hucker house on Cedar Ave. Funeral services for James Willard Miner were held in Chicago on Aug. 16 under the auspices of the Christian Science church and the Edgewater Masonic Lodge, and interment was at the Memorial Park cemetery at Evanston, Ill. Mr. Miner and his family lived in our vicinity for several years while Mr. Miner was employed as chauffeur for Mr. Otto Lehmann and they made many friends here. Mr. Miner had been ill for several months.

Besides his widow, Martha, he is survived by a son, James and two daughters, Mrs. Ruth Krainc, of Waukegan, and Mrs. Jacqueline Broehl, and his parents, Mr. and Mrs. Jesse W. Miner, of Ingleside.

The Lake Villa Community Men's club will sponsor an auction sale and an evening of entertainment next Saturday afternoon and evening at Lehmann Park in the village. Last year's affair was quite a success, and, as it is a community project which helps the young people of our community, it should be well attended.

The carnival sponsored by the local fire department over last weekend was well attended, the rides and concessions well patronized in spite of the cool weather, and the water

lights and dancing were attractive to many visitors. The firemen will be able to improve their property and equipment.

Mrs. B. MacFadden, nee Elsie Swanson, of New Orleans, visited her sister in Waukegan and her parents, Mr. and Mrs. G. Swanson, last week, and Mrs. Swanson spent a few days in Waukegan.

A Word of Appreciation... and a Suggestion, too!

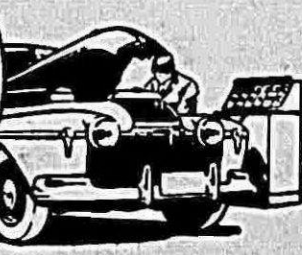

We know how anxious you are to get your new Oldsmobile. And there's nothing we'd like better to do, right now, than to say to every Oldsmobile buyer: "Your car is here. Come get it!"

But frankly, it just isn't possible to do that. There still aren't enough new Oldsmobiles to go around. Due to shortages in materials and unavoidable limitations on production, the output of new cars still is behind schedule. And our allotments are far below the figures that we originally anticipated.

We want to assure you, however, that everything possible is being done, both here and at the factory, to get your car in your hands promptly. And we'd like to take this occasion to thank you sincerely for the patient and considerate way in which you have borne with us during this period of waiting.

Meanwhile, we have an important suggestion: Don't neglect the car you drive today.

The war has taught us all the importance of careful upkeep and regular service. While you're waiting for your new Oldsmobile, therefore, be sure to take advantage of our factory-authorized Oldsmobile service program. We are offering every kind of modern automotive service—from lubrication to major overhauls. Regular servicing of your car will safeguard your investment and assure you of safe, dependable transportation until that great day when your new Oldsmobile is here!

School Finance Body Moves for Betterment of Schools in State

A floor under the standards of public school education was planned by the school finance and tax commission of Illinois at its meeting last weekend at the State Conservation school on Fox Lake.

To bring a large number of inferior schools to the levels of a foundation program the commission will recommend to the legislature that state financial aid be given those that are unable to accomplish that goal by their own efforts.

The commission conducted a survey of 478 elementary schools and 452 high schools in all parts of the state and on the basis of mutual evaluation classified them as follows:

Elementary schools, foundation schools 260, inferior 204, and superior 14; High schools, foundation 381, inferior 53, and superior 18.

This report shows more inferior grade schools than high schools as a matter of proportion.

Rep. Charles A. Clabaugh, chairman, of Champaign, said a striking fact of the report was the difference in the cost of the three levels.

The average cost per enrolled pupil for the inferior elementary schools was \$69.73; for the foundation schools, \$92.62 and for the superior schools, \$153.61.

For the high schools the costs were inferior \$152.03; foundation schools, \$186.17; and superior, \$202.74.

The report advocates the unit system of control instead of the dual system. Where the grade schools and high schools are controlled separately the average cost \$222.13 whereas the combined control costs but \$143.34.

The commission plans to present the report to public organizations over the state in the next two months for criticism and then bring the final report before the state legislature.

A foundation program for the grade and high schools of Illinois as proposed by the School Finance and Tax commission meeting would include the following:

1. A school term of at least nine months.
2. Adequate attendance procedures and records.
3. Special teachers for special subjects and provision for good administrative supervision.
4. A good building with pure drinking water and adequate sanitary facilities.
5. Suitable furniture, maps, globes and equipment.
6. Proper library facilities or reference books including magazines.
7. Teachers with at least four years of college training.
8. Adequate salaries for teachers with provision for sick-leave, visiting

Annual Reunion of Menziez Clan Held At Salem Sunday

(By Olive Hope)

The century-old oaks cast their shadows upon the descendants of James and Jane Menziez when they met at the old homestead Sunday for their annual reunion, and, in the lot where once browsed the oxen of those pioneers, scores of automobiles were parked. In 1849, when Kenosha County was an unorganized wilderness, James Minnis, as the clan now has spelled the name, came to this country from Arbroath, Scotland, and joined those who went west to seek for gold in California. His wife and six children followed him to America three years later and awaited his return to this vicinity. One son, John, left for California, planning to meet his father at a half-way point, but no news of him ever reached the family after his departure. On the return of the husband and father, to Wisconsin, the family established a home at what is now Brass Ball Corners where Mr. and Mrs. Frank Dixon now reside.

Eldest of the group at this reunion Sunday were Mr. and Mrs. Alex Clark, nee Belle Minnis, who are far past the eighty-year mark and have observed their sixtieth wedding anniversary. Mrs. Clark recalls attending school in a little log schoolhouse east of the present location at Brass Ball Corners, and also a pioneer church near-by where no regular pastor presided, but whose pulpit was filled by whomsoever chanced to come by with proper credentials. As one old-timer expressed it, "Sometimes we had no preacher, and sometimes we had three at the same time, one who occupied the pulpit while the other two swapped horses behind the stove." The little homemade kneeling bench which was used in this church for many years was on exhibit Sunday along with other relics of that early day. One son, Hugh, became an iron moulder in Kenosha and an elaborate iron stand and a doll bed were shown as his handiwork.

A most interesting letter was read from a relative, Peter Menziez, of Aberdeen, Scotland, extending his

greetings to the American clan and writing of conditions in his country resulting from the war. Group pictures were taken, family ties were renewed, and the group voted to meet next year at Galena, Ill., thus making it possible for members of the clan in Iowa to attend.

Approximately seventy-five met for this reunion Sunday and it was revealed that the clan is now in its sixth generation; one son of Mr. and Mrs. Minnis was a Civil War veteran serving five years; five members of the clan were in World War I, and twenty-one in World War II; Milton Bryan served in the army of occupation in the Philippines following World War I; there was one war casualty in the last war, Donald Reese, of Marshfield, Wis.; one death has occurred during the past year, Mrs. Belle Durkin Minnis, of Waukegan, Ill.; five babies have been born, and there have been two marriages.

The register Sunday bore the names of Mr. and Mrs. Minnis Munson and daughters, Helen and Mary; Mr. and Mrs. Lawrence Munson, Withee, Wis.; Mr. and Mrs. Alex Clark, Mrs. Bonnie Bryan, Penfield, Ill.; Mr. and Mrs. Robert Clark, Berwyn, Ill. Mrs. Cleo Reese and daughter, Dorothy, Marshfield, Wis.; Mr. and Mrs. Lawrence Holmes, Duluth, Minn. Mrs. Nellie Pierce, Cleveland, Ohio; Mr. and Mrs. Jos. Kneer and daughter, Elaine, Griffith, Ind.; Mr. and Mrs. Hugh Pierce, Hammond, Ind. Mrs. Grace Durkin; Mrs. Lucia Orvis, Mrs. Betty Durkin, Mr. and Mrs. Guy Borgstrom, Miss Eleene Minnis, Chicago; Lee Minnis, Mr. and Mrs. Edward Minnis; Mr. and Mrs. Kenneth Hurd and son, Joseph, Waukegan; Mr. and Mrs. Grant Minnis, Kenosha; Mr. and Mrs. Casper Nielsen, Grand Meadows, Minn.; Mr. and Mrs. Walter Teunas; Mr. and Mrs. Roger Huntton, George, Annette, and James; Mr. and Mrs. Everett Minnis, James, Donna May and William; Mr. and Mrs. Frank Dixon, Mrs. Annie Minnis, Enola and Lucia Minnis; Jennie and Jossie Loesch, all of Salem; Mr. and Mrs. Elmer Getke, Walter, Vincent, Mary and Barbara, Slades Corners; Mr. and Mrs. Emil Scheerens, North Chicago; Mr. and Mrs. Ray Cooper, Withee; Miss Myrtle Holmes, Duluth, Minn.; Mrs. Pauline Ochunke and granddaughter, Shirley; Mr. and Mrs. Omar Lehanam, Champaign, Ill.; Mrs. Ethel Oakfield, LaGrange, Ill.; and Miss Olive Hope, Salem.

Conservationists Enthusiastic Over Shorter Duck Season

Conservationists won an important victory when President Truman signed an executive order allowing only 45 days of duck hunting in 1946. Last year's season was 80 days.

The order also slashed the daily duck limit from 10 to 7 and cut the possession limit from 20 to 14.

Hunting of Canada geese was prohibited in 14 Mississippi fly-way states and the daily bag and possession limits elsewhere set at two.

The order stipulates that the waterfowl hunting season shall run from Oct. 5 to Nov. 18 in the northern zone; Oct. 26 to Dec. 9, intermediate zone; Nov. 23 to Jan. 6,

southern zone.

Secretary of Interior Krug said the continental duck population had decreased from 125,350,000 in 1944 to 80 million.

MILLBURN

(Written for last week)

Fourteen members of the Mylo Club met at the home of Patricia Hairrell Thursday evening and later hiked to Denman's woods. A weiner roast and picnic supper was enjoyed.

Members of the Couples Club enjoyed a "Treasure Hunt" Friday evening which ended in Denman's woods where a weiner roast and watermelon were served.

Mrs. May Lucas and son, Walter, are spending two weeks with the former's brother, Frank Odom, in Jonesboro, Tenn.

Mr. and Mrs. Orville Hairrell and Mr. and Mrs. Harry Shank are spending a week at Shawano, Wis.

Rev. and Mrs. Messersmith attended a meeting of the Ministers of the

Congregational churches of Lake County held at Mundelein.

On Aug. 14 at 2:30 p. m. Miss Adrienne Schaller, of Hinsdale, and Earl Bauman, of Millburn, were united in marriage at the home of Rev. Dunlop, pastor of the Methodist church in Oak Park, in the presence of 40 relatives and friends.

Mrs. Ed Hoffman entertained with a small party in honor of their son, George's first birthday anniversary, today afternoon, Aug. 16.

Extra Pale Silver Fox De Luxe Brewed with Imported Hops —Is Back Again!

To all Lovers of Fine Beer:

WE ARE AGAIN BREWING EXTRA PALE SILVER FOX DE LUXE
BEER WITH FINE IMPORTED BOHEMIAN HOPS.

For four long years I have been waiting for this day to come. We are proud to be one of the first breweries to make this announcement.

During the war years adjuncts were used and accepted in many commodities. There is, however, no substitute for FINE IMPORTED HOPS. Only fine imported hops can impart that distinctive fragrance and pleasing taste so characteristic of a truly fine extra pale dry beer.

To maintain our leadership we will spare no expense or effort to produce the finest beer it is possible to make.

You will be delighted with Extra Pale Silver Fox De Luxe beer brewed with imported hops. Now available at your favorite tavern or dealer.

I sincerely urge you to try it and judge for yourself.

New Publication Asks Favorable Vote For County T. B. Sanatorium

"The Capsule" a new publication started at the Lake County Tuberculosis sanatorium, in Waukegan, made its appearance this month, providing information on the value of the sanatorium and bits of personal news for patients and former patients themselves.

The history of tuberculosis control in Lake county is given through an interview with Dr. Walter H. Waterson of LeGrange, Ill., who, a physician himself, overcame the affliction through rest in a tent colony in Denver, Colo.

Returning to Wisconsin and then Lake County he was induced to start medical supervision in that part of Waukegan now known as Glen Flora in July 1908. That was the year of the first sale of Christmas seals in the county.

From that year interest in the battle against tuberculosis has grown until present fine sanatorium became a reality. Those who have seen the good that the sanatorium has done have been asked to influence their friends in voting for the sanatorium tax which will come as a question on the ballot in November.

Polio on Decrease In State Says Cross

Although infantile paralysis, or polio, is considerably more prevalent this season in Illinois than usual, the risk of infection is very low, compared with most other epidemic diseases, according to Dr. Roland R. Cross, state director of public health. So far this year, 535 Illinois cases have been reported. During the same period 3,221 cases of whooping cough were reported.

Polio is comparatively mild in form this year, Dr. Cross says. The number of deaths has been low, and a majority of patients recover completely, so far as can be determined. Whooping cough is as likely to cause death in young babies as is polio. Whooping cough can be prevented by vaccination, however, whereas polio cannot.

It seems probable that several hundred more cases of polio will occur in Illinois before the epidemic ends. A decline in cases is apt to be-

gin within the next two or three weeks, and prevalence will taper off to a minimum by October or November, Dr. Cross forecasts.

Half the counties in Illinois have had no case of polio this year, and most of the other counties have had only scattered cases. Counties with the highest number of cases so far this season are Cook, Clinton, Stephenson, Whiteside and St. Clair, with more than 20 each.

Precautions against the disease include the following: avoid exhaustion from over-exercise; avoid injury or surgical operations of nose, mouth or throat; avoid contaminated water for drinking, swimming or wading; keep clean and use only clean foods; avoid contact with persons having colds or other infectious diseases, and call a physician promptly in case of illness.

Vets Told Not to Send Original Discharges to Get Terminal Leave Pay

With the expected arrival of forms at the local post office, discharged veterans of World War II soon will be able to seek terminal leave pay here.

Warnings have been issued by American Legion service officers that discharge papers should not be sent in but that certified or photostatic copies should be sent instead as proof of the claim.

Navy men with the rate of chief petty officer, first or second class petty officer, first or second class tender, first or technical sergeant can get in addition to 70c subsistence pay a day, \$1.25 a day for housing where there are dependents.

A meeting of American Legion service officers will be called at North Chicago next week so that Commander Bacon, head of the separation at Great Lakes can give instruction on the filing of claims. Legion service officers then will aid veterans in filling out the forms.

In the case of deceased veterans, those nearest of kin may file, and guardians may file for the insane, A. F. Reutlinger Service office said.

As we were saying-----

By Jack and Louie

Howdy Folks: Many feel that the passing of the OPA will give us an extra leap year—for prices.

Prices are the only part of the nation's food supply raised by the middleman.

Once, price was an indication of value. Now days it's an indication of nerve.

Many people think that there will be no break in prices until the government applies the brakes.

If there is a prediction of an early fall, it will not mean the fall of prices.

Now days, even the price of a dress isn't modest.

Oh for the spirit of '76 and the prices of '36.

Anyhow, we're doing our level best to hold the prices down on dry cleaning.

We'll always try to give you the best possible deal on that.

Library News

(By Lee Melnersmann)

During the summer months the Antioch Library has made many fine additions to its children's book collection. Many of the books received are masterpieces, enjoyed by children and adults alike. Foremost among the titles received are the beloved "Little House" books by Laura Ingalls Wilder, bringing back tender reminiscences of grandmother's time, and giving children a delightful understanding of the late pioneer days.

The separate titles, in which we meet Pa and Ma Ingalls, Laura and Mary, and Alonzo Wilder, are "Little House on the Prairie," "By the Shores of Silver Lake," "The Long Winter," "Little Town on the Prairie," and "These Happy, Golden Years."

Besides this fine series, we have the "Peterkin Papers," in which we meet the utterly silly Peterkin family. Who else but Eliza Peterkin would play the parlor piano from the front porch, because the movers had placed the piano keys toward the window? And then there's Janey Larkin, who more than anything else wanted a home, not a trailer, in the "Blue Willow." And no one will ever forget Kate and Jancsi, children of the first World War, in the beautifully told "Singing Tree." Then we have Jovbale Benjie, who has trouble finding a hat for himself in "Benjie's Hat."

We could introduce many more characters to the children of Antioch, but we much prefer that the children come in and meet them personally, for we know they will find many friends in each new book.
